

How NECESSARY is every cog in the wheel? If the wheels belong in my auto, then I know every single cog must be in its place and working smoothly. If that is important in the mechanics, how much more significant in the human and personal and social realm. I am a cog in a family, in a neighborhood, in a city, in a church. I wonder how well I work. What a lesson for each of us! For we all are tempted to go our own way...think of our own concerns, as if each of us was the whole wheel...the only person in the world.

COGS IN WHEELS! That is a good figure. How good a cog are you? Am I? When heavy loads are to be borne, do I carry my share of the weight? When necessary errands must run, do I gear in smoothly? Or do I insist on breaking out of the groove, that I may be noticed, or escape some of the grinding experience of helpful living? God is master of us all. He calls us to a particular little part in the world's work...each is a cog. He expects us to work for Him and to His glory. If we keep in place and function smoothly for the common good of His church and His world we shall know the blessing of work, "Well done, good and faithful servant."

See You in Church ...TODAY!

DEADLINE NEARING . . . Tommy Wilkes, manager of Howard's Jewelers, 1503 Cabrillo Ave., warns seniors that Tuesday will be the final day for estimating the time the "Wheel of Fortune" clock will stop, Wednesday morning from 9 a.m. until noon, seniors will be allowed to sign for the second time on a first-come, first served basis until all the possible times have been selected.

Seniors Must Sign Tuesday For Watch Gift

Seniors will be given a second chance to sign up for the "Wheel of Fortune" contest at Howard's Jewelers, 1503 Cabrillo Ave., between 9 a.m. and noon next Wednesday, June 3, manager Tommy Wilkes announced Friday.

Then for the 15th consecutive year, the old pendulum clock which used to stand in the back of the store will be started and its hands will point out the winner of two \$71.50 Bulova watches sometime before the Senior breakfast, June 9.

Wilkes urged all seniors to sign the huge clock dial by 6 p.m. Tuesday, June 2, deadline for new signatures. When the store opens Wednesday morning, seniors may sign for the second time on a first-come, first-served basis, Wilkes said.

The clock idea was originated by Dr. Alden W. Smith 15 years ago and has since been adopted by Bulova as a nation-wide promotion.

Eleven WCTU Orators to Vie

Six women and five junior high school age children will vie for top oratorical honors in two separate contests to be sponsored by the WCTU next Tuesday night, 7:30 o'clock, at the First Baptist Church.

Medals will be awarded to the best speaker in each division, Mrs. D. Boone Kirks, publicity chairman said.

Speeches of the evening, she continued, will deal with alcohol and its effects in the human body and activities, as the purpose of the contest is to acquaint youth with the true facts on alcohol.

Following the contest, Miss Alda Clarkson, soprano, will entertain with vocal selections.

Anyone interested in temperance is invited to attend, Mrs. Boone said.

INFLATION ERA
Inflation followed the Civil war but foods were not much affected. A quart of milk was sold for 8 cents, eggs 22 cents, steak 15 cents a pound.

Barber Shoppers Pick Winner for Radio Contest

The three-way tie for the prize radio offered by the Barber Shoppers at last week's Hobby Show was "guessed off" last night at the regular meeting of the SPEEBSA. Mrs. Alice Harker of Torrance was the winner.

Tying for first at the guessing contest at the Barber Shoppers displays were Mrs. Claris Ley, Mrs. Alice Harker, both of Torrance, and George T. French of Los Angeles.

A junior size contest was held at the meeting last Thursday night by putting 141 small bolts, washers and nails in a jar. Guesses were then made and written down. The count was made and Mrs. Harker won the radio with a guess of 137.

Proving the solidly held contention that singing is good to relieve nervous tensions, a barber shop quartet went through its repertoire during the entire proceedings.

COBALT USE
The use of cobalt is reported to be effective in treating certain types of animal anemia.

New Treatment For Arthritis And Muscle Pain

TORRANCE — If you have been suffering for years from arthritis and muscle pain, do not despair. Dr. Larson's new application of the latest in scientific therapy is promising new hope for relief of the crippling torture of arthritis and rheumatic conditions. You are invited to come in for a complete examination to discover the true cause of your condition. Price for this examination is only \$3.00. Phone FAirfax 8-3738 before coming to offices of Dr. R. A. Larson, D. C., Ph. C., 1110 Sartori Avenue, Torrance (three doors north of Torrance Blvd.). —Adv.
